RE: PIPE & FITTINGS LIST PRICE INCREASE

Dear Tyler Pipe Distributors,

Tyler Pipe continues to experience unprecedented cost increases in raw materials and operating costs that we can no longer sustain. We must raise our list prices on all cast iron pipe and fittings. Effective April 1, 2022, Tyler Pipe will raise our list prices on all cast iron pipe & fittings by 9.0% (LP-DWV APRIL 2022). Some items will increase by more than 9.0%.

Effective immediately, we must allocate orders at current prices. We will provide 1 month of allocation based on your annual tonnage. All orders placed after April 1, 2022 will be at new LP-DWV APRIL-2022 list pricing. Any order placed before April 1, 2022 that surpasses your allocation amount will be at LP-DWV APRIL-2022 pricing. All orders are for immediate release.

Your Tyler Pipe regional sales manager will be contacting you to provide your allocation amount and to answer your questions.

New LP-DWV APRIL 2022 List Prices will be posted on our website no later than March 16, 2022.
